With regard to your letter mentioned above I hereby confirm that the Central Institute for Animal Disease Control (CIDC) Lelystad in the Netherlands complies with the requirements mentioned in your letter.

CIDC successfully attended the proficiency test organised by the AFSSA Nancy (see annex 1). The laboratory works according to the relevant standards "ISO9001:2000" and "ISO17025" (see annex 2).

With this information I hope you will be able to add the CIDC to the list of laboratories that are designated by MAFF of the Government of Japan for testing the effectiveness of rabies vaccines serologically.

Sincerely yours,

THE CHIEF VETERINARY OFFICER,

COMMISSION

COMMISSION DECISION

of 8 October 2004

amending Decision 2004/233/EC as regards the list of laboratories authorised to check the effectiveness of vaccination against rabies in certain domestic carnivores

(notified under document number C(2004) 3686)

(Text with EEA relevance)

(2004/693/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 2000/258/EC of 20 March 2000 designating a specific institute responsible for establishing the criteria necessary for standardising the serological tests to monitor the effectiveness of rabies vaccines ⁽¹⁾, and in particular Article 3 thereof,

Whereas:

(1) Decision 2000/258/EC designated the laboratory of the Agence française de sécurité sanitaire des aliments de Nancy (the AFSSA laboratory, Nancy), France as the institute responsible for establishing the criteria necessary for standardising the serological tests to monitor the effectiveness of rabies vaccines. That Decision also provides for the AFSSA laboratory, Nancy to send to the Commission the list of Community laboratories to be authorised to carry out those serological tests. Accordingly, the AFSSA laboratory, Nancy operates the established proficiency testing procedure to appraise laboratories for authorisation to perform the serological tests.

(2) Commission Decision 2004/233/EC of 4 March 2004 authorising laboratories to check the effectiveness of

vaccination against rabies in certain domestic carnivores ⁽²⁾ established a list of approved laboratories in the Member States on the grounds of the results of the proficiency tests communicated by the AFSSA laboratory, Nancy.

(3) Three laboratories, respectively in the Netherlands, Poland and Portugal, have been approved by the AFSSA laboratory, Nancy, in compliance with Decision 2000/258/EC.

(4) Accordingly, it is appropriate to add those three laboratories to the list of approved laboratories in the Member States as established in the Annex to Decision 2004/233/EC.

(5) In addition, following the request of Germany, certain amendments should be made to the addresses of two German laboratories.

(6) Furthermore, following the request of Slovenia, the name of the diagnostic laboratory in that Member State should be amended.

(7) Decision 2004/233/EC should therefore be amended accordingly.

(8) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

⁽¹⁾ OJ L 79, 30.3.2000, p. 40. Decision as amended by Commission Decision 2003/60/EC (OJ L 23, 28.1.2003, p. 30).

⁽²⁾ OJ L 71, 10.3.2004, p. 30. Decision as amended by Decision 2004/448/EC (OJ L 155, 30.4.2004, p. 84, as corrected in OJ L 193, 1.6.2004, p. 64).

HAS ADOPTED THIS DECISION:

Article 1

Annex I to Decision 2004/233/EC is replaced by the text in the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 8 October 2004.

For the Commission
David BYRNE
Member of the Commission
